SWOP SHOP

23rd May 2018

NEWSLETTER

Here are some of the latest pictures from the opening of the new Swop Shop on the 14 May 2018. The Swop Shop Team are delighted at the convenience of the new premises as we are now able to set out and stock the shelves well ahead of a Swop Shop session. Prior to this, volunteers spent endless hours packing and unpacking boxes, portable tables and chairs and transporting them to the two venues. The shelving, security doors and whirlybirds for ventilation all make for a 'Boutique' Swop Shop in the container! The generosity of the donors is much appreciated by volunteers and customers alike.

Waiting in line

Our motto of 'nothing for nothing' means that people attending the Swop Shop will have put in their effort to collect recyclables to exchange for the tickets.

Yours sincerely,
